Sonus Gets BT 21CN Win, Global Crossing Purchases Unveiled

11.09.07 | Doug Mohney

This week, Sonus Networks (www.sonusnetworks.com) announced BT (www.bt.com) had selected Sonus as an official 21CN vendor to supply an Access Gateway Control Function (AGCF) capability for BT's 21st Century Network program (21CN). Meanwhile, some of Global Crossing's purchases over the past two years have recently come to light.
